

Wormy

He keeps the words...
and what they mean.

Wormy doesn't rush,
and he doesn't speak
unless it matters.

You'll often find him
with a book... or quietly
watching, as if he
already knows how
things will turn out.

Not all words in
Duckdom are found in
ordinary dictionaries.

Some are kept...
carefully... in
Wormy's care.

Some words...
need a little
help to stay
in place. ♡
