

Happy Birthday Willow

"Notes, Notices & Small Mysteries from Duckdom"

"SUNDAY AFTERNOON BESIDE THE WELL."

"A quiet Sunday where everyone
simply stayed awhile."

MONDAY — WHILE THINGS WERE BEING ORGANISED

President Turbo now has help
Things are moving quickly.
Junior Assistant Administrators
have been appointed.

"NOTES FROM THE ANT HILL"

THE ANT CREW

While most of Duckdom was still waking up,
the Ant Crew were already hard at work.

Carrying, stacking, sorting,
and somehow fixing problems
before anyone even noticed them.

No one quite knows how they stay so organised...
But Duckdom would probably fall apart without them.

Wormy says:

"Letters do better when they are given time."

HAPPY BIRTHDAY WILLOW !!!

"Some words...
need a little help
to stay in place."

WORD: TIDY-ISH

Meaning:

Mostly tidy,
with a few important things still being used.
Tidy-ish means you can find what you need,
even if not everything is in the right place.

Wormy says:

"If you can find your snack,
it's tidy enough."

Wormy closed his book... just a little.

FRIDAY — AT THE VILLAGE GREEN

Friday found its way to the Village Green once again,
and Duckdom gathered exactly as it should.

Games were played, picnic baskets appeared,
and laughter drifted gently through the trees.

Even the ants declared it
"a very successful afternoon."

The ants of Duckdom are small...
but their work is very important.

People of
DUCKDOM

Charley

He's new in town.

Charley is a friendly goat with a love of adventure.

He's curious, cheerful, and always asking questions.

Charley enjoys exploring the village and countryside, discovering new places and making new friends.

He's a little bit mischievous, but always kind at heart. He believes every day is a chance for something wonderful to happen.

You'll often find him with a sketchbook in his bag and a big idea in his head.

Welcome to Duckdom, Charley!

Kind heart.
Curious mind.
Always up for an adventure.

Be kind. Be brave. Belong together. *Always Here.*

MEET CHARLEY THE GOAT

Charley arrived in Duckdom with muddy hooves, big ideas, and absolutely no understanding of personal space.

He means well... but things do tend to become a little more chaotic whenever he appears.

Good intentions may lead to unexpected places.

KEVIN'S IMPROVEMENTS

Kevin announced he had a "very important safety plan."

No one was entirely sure what it was... or why it involved umbrellas, very tall ladders, and absolutely no instructions.

Still, he looked extremely proud of himself. Turbo remains... cautiously concerned.

NEW TO DUCKDOM

THE DUCKDOM WELL

Something quiet has appeared beside the old path...

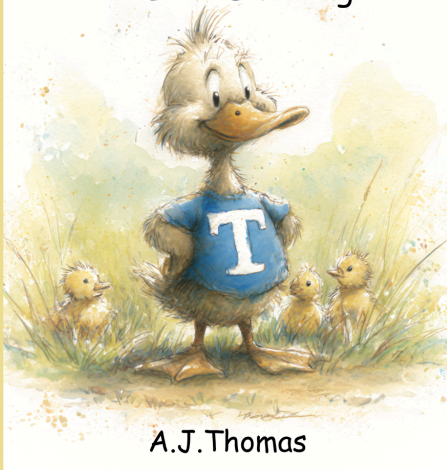

A little stone well,
where whispers, wishes,
and wandering thoughts seem to gather.

No one quite remembers who built it.

But the water is always cool,
and somehow...
someone always leaves smiling.

The signpost is still there...

but it may not be pointing where you remember.

And if you pass by it...

you might want to look down, just for a moment.

"If you've ever wondered where Duckdom began..."
