Little Improvements, Big Smiles

"Notes, Notices & Small Mysteries from Duckdom"

MONDAY MORNING AT THE PRESIDENT'S DESK!

President Turbo began planning the week.
Kevin arrived with seventeen ideas.
Wormy arrived with one.

Turbo selected Wormy's.
Kevin says this happens more often than it should.

"NOTES FROM THE ANT HILL"

THE ANT LAUNDRY BRIGADE

"Their work is very important.
Many little helpers can finish even the biggest jobs."

Wormy says:
"Letters do better when they are given time."

WORMY'S WORDS OF WISDOM

"A little light is often
all a thought needs."

WORMY'S WORD OF THE WEEK

WORD: "'TINKERJOY'"

Meaning :
The happy feeling you get from quietly making little improvements, one tiny change at a time, simply because it makes something a little better.

Wormy says...
"Big adventures are wonderful... but Tinkerjoy is what builds them."

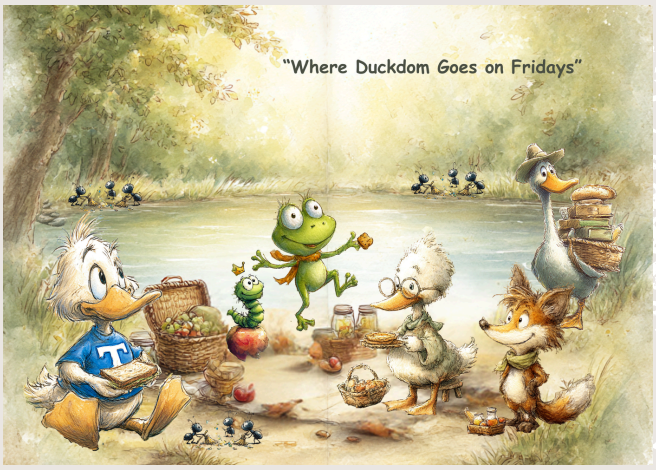

FRIDAY — AT THE VILLAGE GREEN

By Friday, the work of the week had softened,
and the village found its way to the water's edge.

Blankets were laid out, baskets opened,
and the afternoon drifted by with laughter and shared stories.

There was no plan...
only the simple joy of gathering together.

And somehow, that was more than enough.

DUCKDOM'S TRASH TO TREASURE TUESDAYS

Cupcake Liner Crafts

Don't throw away those colourful liners — turn them into something new!
Here are a few of Turbo's favourites:

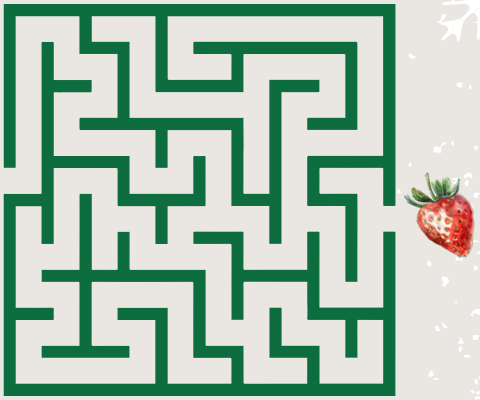

1. Cupcake Liner Flowers
Flatten liners, layer them, glue to paper, add drawn stems.
2. Butterfly Wings
Cut liners in half, decorate, glue onto a cardboard butterfly body.
3. Duck Wings
Fold yellow liners, stick them onto a duck drawing for a 3D effect.
4. Mini Christmas Trees
Paint liners green, stack upside down, top with a paper star.

Turbo's Tip: "Cupcake liners aren't just for baking — they're quacktastic for crafting too!"

KEVIN'S SUNDAY MAZE

Can you please help get
Kevin through to the other side

KEVIN'S IMPROVEMENTS

Kevin :
"Does **Tinkerjoy** include accidentally painting the Town Hall purple?"

Wormy :
"Only if you repaint it afterwards."

TURBO & THE SCATTERDUCKS

Turbo the duck is funny, clever… and just a little bit sneaky!
When he hatches a plan to help out on the farm, things quickly turn into a quacky adventure involving shopping trolleys, sticky buns, and a whole lot of honking.
Can one small duck prove he's the biggest helper of all?
A heartwarming and hilarious picture book for children aged 3–8, Turbo: Scatterducks celebrates kindness, initiative, and being proud of who you are —
even if you're a little grey and very cheeky.

but it may not be pointing where you remember.

And if you pass by it…

you might want to look down, just for a moment.
