Make Your Own Magical Christmas Lantern

Kids create a little paper lantern to hang in their window or on the tree.

Materials

- 1 sheet coloured paper
- Glue stick or tape
- Scissors
- LED tealight (optional!)
- Stickers & glitter

Instructions

- Fold paper in half (short edge to short edge).
- Cut slits along the fold (not all the way through).
- Open paper and curve into a cylinder.
- Glue or tape the ends together.
- Add a handle (strip of paper).

Decorate with stars, snowflakes, Turbo footprints.
