

"A quiet week in Duckdom... where small ideas, kind words
and one very enthusiastic frog kept everyone smiling."

"Notes, Notices & Small Mysteries from Duckdom"

SUNDAY IN DUCKDOM

Everyone was somewhere.
Nobody needed to be anywhere.

MONDAY MORNING AT THE PRESIDENT'S DESK!

President Turbo began planning the week.
Kevin arrived with seventeen ideas.
Wormy arrived with one.

Turbo selected Wormy's.
Kevin says this happens more often than it
should.

"NOTES FROM THE ANT HILL"

THE ANT CREW

Where there are words...
there are also those who care for them.
The ants of Duckdom are small...
but their work is very important.

Wormy says:

"Letters do better when they are given time."

WORMY'S WORDS OF WISDOM

"Not every answer arrives with a noise."

"Some words... need a little help to stay in place."

WORMY'S WORD OF THE WEEK

WORD: 'WANDER'

To explore without needing a destination.

FRIDAY — AT THE VILLAGE GREEN

Nothing needed doing today.
The tools were set down,
the paths left as they were,
and even the signpost... was left alone.

On the green, a few wandered, a few rested,
and a few simply watched the clouds pass by.

No plans were made.
No improvements attempted.

And somehow...
everything felt just right.

The ants of Duckdom are small...
but their work is very important.

KEVIN'S IMPROVEMENTS

Kevin continues his conversation from yesterday with Turbo. Kevin clears his throat.
"Mr President... there is one more proposal."

Turbo closes his eyes.

"Kevin... what is it?"

Kevin flips another page on the clipboard.

"A Bell Tower Café loyalty card. Buy nine cups of tea... the tenth comes with a free scone."

Turbo sighs and gets himself another aspirin.

TURBO & THE SCATTERDUCKS

Turbo the duck is funny, clever... and just a little bit sneaky!
When he hatches a plan to help out on the farm, things quickly
turn into a quacky adventure involving shopping trolleys, sticky
buns, and a whole lot of honking.
Can one small duck prove he's the biggest helper of all?
A heartwarming and hilarious picture book for children aged 3-8,
Turbo: Scatterducks celebrates kindness, initiative, and being
proud of who you are —
even if you're a little grey and very cheeky.

UNTIL NEXT WEEK...

The signpost is still there...
but it may not be pointing where you remember.
And if you pass by it...
you might want to look down, just for a moment.
