KEVIN'S IMPROVEMENTS

Grandma has made a pie,
it has just come out of the oven & smells delish.
She covered it with a paper towel.
Kevin asks her what it is.
She says that it is a surprise!

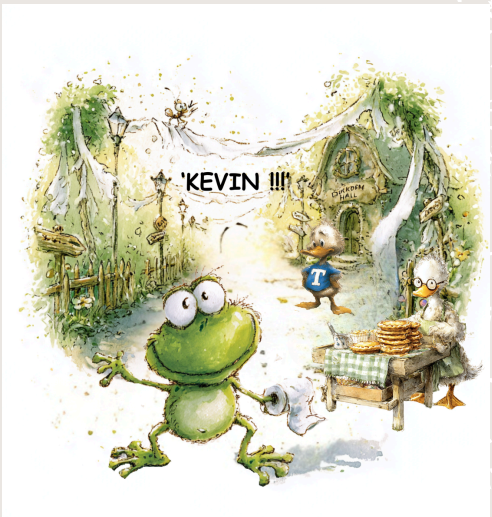

Kevin puts alot of thought into 'surprise' & paper.

Grandma walks back to the pie cart...
The pie is still covered.
Everything looks perfectly normal.
Kevin beams proudly because he has...
"improved the surprise."
Turbo doesn't seem very happy,
"Kevin... I don't even know where to begin..."
