

Buzz!

He spreads joy wherever he goes.

Buzz is a busy bee with a big heart.

He works hard, but he never forgets to stop and say hello.

He loves sunshine, flowers, and making the world a little brighter.

Buzz believes that even the tiniest acts of kindness can make a very big difference.

You'll often see Buzz zipping around Duckdom, helping in the gardens, sharing pollen, and spreading happiness like glitter.

He may be small, but his cheer is HUGE.

Busy little Buzz. Bright little heart.
