

Another perfectly ordinary week in
Duckdom... apparently.

"Notes, Notices & Small Mysteries from Duckdom"

WORMY'S WORDS OF WISDOM

"NOTES FROM ANT HILL"

The Ant Tea Break ☕

The ants have knocked off work.

Tiny acorn cups.

Mushroom table.

One biscuit is shared by the
whole crew.

An ant has fallen asleep inside
the teapot lid.

Wormy says:

"Letters do better when they are given time."

WORMY'S WORD OF THE WEEK

"Some words...
need a little help
to stay in place."

"Persistence (noun):

The curious habit of quietly making
tiny improvements until one day
everyone wonders how it became so
wonderful."

DUCKDOM'S TRASH TO TREASURE TUESDAYS

Cereal Box Monsters

Save those empty breakfast cereal boxes in
order to craft a group of fierce monsters.
Add a handle, and your monsters turn into
puppets ready for a performance. Decorate
your creatures with paper, fur, buttons,
ribbons etc—the options are endless with
these rectangular box bases.

The ants of Duckdom are small...
but their work is very important.

KEVIN'S IMPROVEMENTS

"Now, you'll have noticed the importance of maintaining control at all times."

Kevin's Last Water-Ski Lessons of Summer
Kevin has decided there is still plenty of warm weather left for a few final lessons.

His pupils listen carefully.

Kevin demonstrates.

His pupils listen **much more carefully**.

Kevin returns to the jetty and continues the lesson.

His pupils decide they may prefer golf.

Good intentions
may lead to
unexpected
places.

WHERE IS KEVIN TEEING OFF FROM TODAY?

The Old Mill.
Small hole.
Big dreams.
Questionable technique.

Timmy #1 'The Adventure begins'

Something very strange is happening beneath Whitford Downs...

Timmy thought he knew every corner of his family's farm.

He was wrong.

A secret party, a mysterious hole and a cave filled with treasure lead
Timmy, Turbo and their rather unusual friends deep underground.

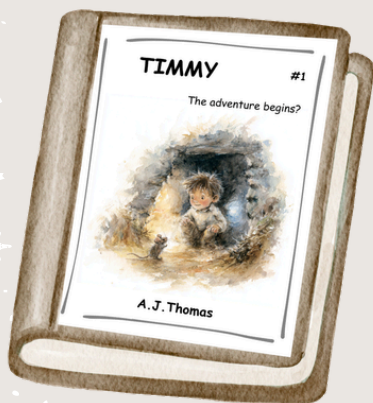

And waiting in the darkness is something nobody expected...

'A PIRATE SHIP !'

But who does it belong to?

And what is it doing underneath Timmy's farm?

For Timmy and Turbo, the adventure is only just beginning...

UNTIL NEXT WEEK...

The signpost is still there...

but it may not be pointing where you remember.

And if you pass by it...

you might want to look down, just for a moment.
