

Turbo[♥]

He makes sure the day begins.

Turbo is the quiet centre of Duckdom.

He doesn't rush...
and he doesn't need to.

Somehow, things seem to begin
when he's ready.

You'll often find him standing still
before the day properly starts...
as if he's listening for something
the rest of us haven't quite
heard yet.

He doesn't lead loudly.
He doesn't look for thanks.
He just does what needs to be
done... and somehow,
everything stays in order.

Everyone in Duckdom
knows they can count on Turbo.
He's steady, kind and thoughtful
in all the right ways.

When Turbo begins,
Duckdom is ready.

Turbo's Motto:
A calm start
makes a good day.

Steady heart. Gentle leader. *Always there.*
