

Kevin

He turns everyday into
an adventure.

Kevin is Duckdom's cheerful
chaos coordinator.

He sees the world as one big
adventure... and he's determined
not to miss any of it.

He asks questions. A lot of them.
He makes plans. Brilliant ones.
He changes those plans.
Often.

Some say he causes mayhem.
Kevin prefers to think he
creates possibilities.

He's curious, enthusiastic,
and entirely unstoppable.
If something can go wrong,
Kevin will try it.
If something can go brilliantly
right, he'll definitely try that too.

Duckdom wouldn't be the same
without him.
It just wouldn't.

Life is never dull
when Kevin is around.

Kevin's Motto:
Why walk carefully
when you can
explore properly?

Curious heart. Big ideas. *Always up to something.*
