

"A little wander through Duckdom..."

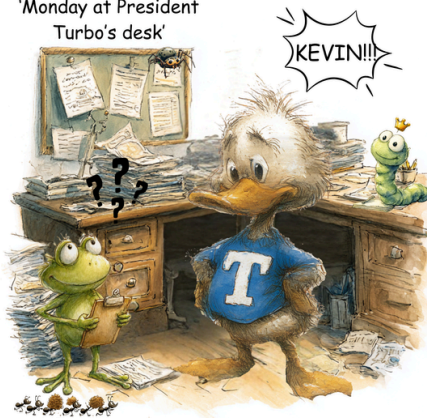

"Notes, Notices & Small Mysteries from Duckdom"

SUNDAY IN DUCKDOM

Everyone was somewhere.
Nobody needed to be anywhere.

'Monday at President
Turbo's desk'

MONDAY MORNING AT THE PRESIDENT'S DESK!

President Turbo began planning the week.
Kevin arrived with seventeen ideas.
Wormy arrived with one.

Turbo selected Wormy's.
Kevin says this happens more often than it
should.

THE ANT CREW

While most of Duckdom was still waking up,
the Ant Crew were already hard at work.

Carrying, stacking, sorting,
and somehow fixing problems
before anyone even noticed them.

No one quite knows how they stay so organised...
But Duckdom would probably fall apart without them.

Wormy says:

"Letters do better when they are given time."

WORMY'S WORDS OF WISDOM

"There is no rush.
The path knows where it is going."

"Some words...
need a little help
to stay in place."

'SETTLESPROUT'

WORD: SETTLESPROUT

Meaning:

The happy feeling that appears when an idea finally finds where it belongs.

Example:

"The Village Green gave everyone a serious case of *settlesprout*."

Wormy says:

"Some ideas wander for a long time.
Then one day...
they stop wandering."

Wormy closed his book... just a little.

FRIDAY — AT THE VILLAGE GREEN

No plans
Just together

The ants of Duckdom are small...
but their work is very important.

MEET BUZZ

'Buzz' is Duckdom's cheerful little helper.

From sunrise to sunset, he can be found zipping between flowers, visiting gardens, and spreading a little happiness wherever he goes. Buzz works hard, but he never forgets to stop and say hello.

He believes that even the smallest acts of kindness can make a very big difference.

Nobody is quite sure how he manages to visit so many places in a single day.

Whenever flowers are blooming, vegetables are growing, or someone needs a smile, Buzz is never far away.

If a corner of Duckdom suddenly feels brighter than it did yesterday, there's a good chance Buzz has been there.

TURBO & THE SCATTERDUCKS

Turbo the duck is funny, clever... and just a little bit sneaky!
When he hatches a plan to help out on the farm, things quickly
turn into a quacky adventure involving shopping trolleys, sticky
buns, and a whole lot of honking.
Can one small duck prove he's the biggest helper of all?
A heartwarming and hilarious picture book for children aged 3-8,
Turbo: Scatterducks celebrates kindness, initiative, and being
proud of who you are —
even if you're a little grey and very cheeky.

UNTIL NEXT WEEK...

The signpost is still there...
but it may not be pointing where you remember.
And if you pass by it...
you might want to look down, just for a moment.
