SUNDAY AFTERNOON IN DUCKDOM

Sunday in Duckdom

No plans

Just together

MONDAY — WHILE THINGS WERE BEING ORGANISED

President Turbo had an idea.

Kevin took notes.

Wormy smiled.

"NOTES FROM THE ANT HILL"

THE ANT CREW

While most of Duckdom was still waking up,
the Ant Crew were already hard at work.

Carrying, stacking, sorting,
and somehow fixing problems
before anyone even noticed them.

No one quite knows how they stay so organised...
But Duckdom would probably fall apart without them.

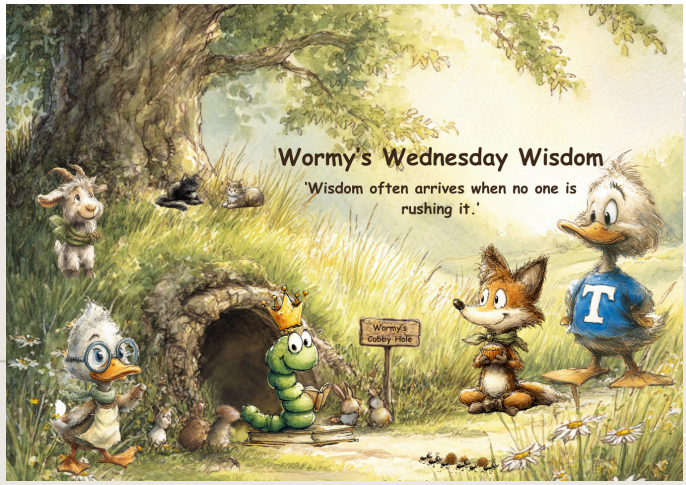

Wormy says:
"Letters do better when they are given time."

WORMY'S WEDNESDAY WISDOM

Wisdom often arrives when no one is rushing it.

WORD: SNACKERGENCY

Meaning:
A very serious situation that happens when Wormy has been thinking too hard and hasn't eaten in a while.
Usually fixed with something crunchy or sweet.

Thinking works better with snacks.

Wormy closed his book... just a little.

FRIDAY — AT THE VILLAGE GREEN

This morning, Duckdom moved a little more slowly.
Blankets were spread beneath the trees, baskets unpacked, and the air filled with the soft hum of easy conversation.

No one seemed in a hurry.
There was time for sharing, for laughter, and for simply being together.

Wormy says days like this are important...
not because anything happens,
but because everything feels just right.

The ants of Duckdom are small...
but their work is very important.

MEET LYDIA

Quiet, observant, and always watching.

Lydia sees the connections others miss, following the tiny threads that link Duckdom's people, places and stories together.

If something important is happening, chances are Lydia noticed it long before anyone else.

Every story has a thread.

KEVIN'S IMPROVEMENTS

Kevin spent most of Tuesday building a raft from bits of wood, string, and what he described as "advanced engineering."

Witnesses report the raft successfully floated for almost three whole minutes.
Kevin considers this a complete success.
The bees declined to comment.

NEW TO DUCKDOM

THE DUCKDOM WELL

Something quiet has appeared beside the old path...
A little stone well,
where whispers, wishes,
and wandering thoughts seem to gather.
No one quite remembers who built it.
But the water is always cool,
and somehow...
someone always leaves smiling.

FROM THE DUCKDOM SHELF

Turbo & the Lost Ducklings

A few tiny ducklings, a worried little quack,
and one determined duck who wouldn't leave them behind.
With friends, surprises,
and a fox who may not be
quite what he seems...
Duckdom's newest adventure
is full of kindness, courage, and muddy little footprints.

The signpost is still there...

but it may not be pointing where you remember.

And if you pass by it...

you might want to look down, just for a moment.
