

"While Kevin organised everything...
Duckdom quietly became itself."

"Notes, Notices & Small Mysteries from Duckdom"

SUNDAY — BEFORE IT ALL BEGAN

Before the plans were written...

before the paths were properly made...
there was just a walk.

Not towards anything in particular...
just forward.

And somehow... that was enough.

MONDAY — WHILE THINGS WERE BEING ORGANISED

Some ideas need planning.
Kevin was very good at that.

The lists grew longer...
the piles grew higher...
and things began to feel... important.

Whether they were... was still to be seen.

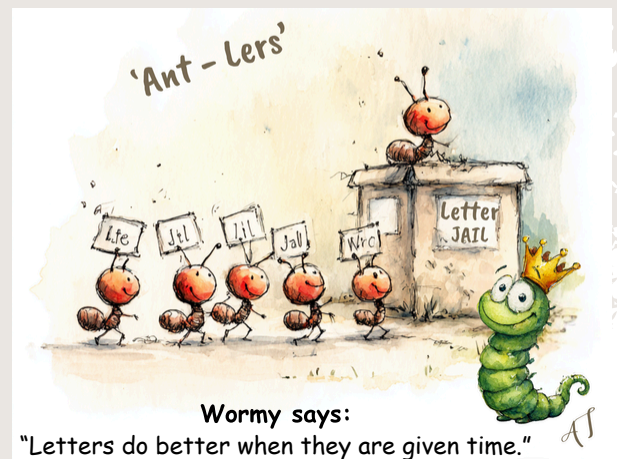

"NOTES FROM THE ANT HILL"

'Ant-lers'

A group of ants whose job is to carry away naughty letters
and take them somewhere safe for sorting.

Ant-lers help when words get muddled,
mixed up, or behave badly.

Wormy says:
"Letters do better when they are given time."

WORMY'S WEDNESDAY WISDOM

While plans were being made...and papers carefully stacked...

Wormy was already at work.

He didn't organise things. He looked after what mattered.

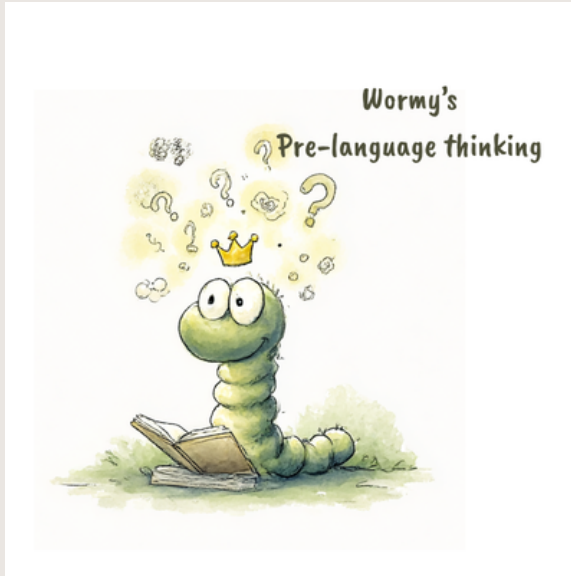

Quietly. Kindly. Constantly.

Duckdom would come to depend on this...long before it realised.

Wormy,
Keeper of the Good Stuff

"Some words...
need a little help
to stay in place."

WORD: PRE-LANGUAGE THINKING

Some ideas arrive...
before they know how to behave in sentences.
Wormy listens to those ones.

Wormy says:

"Reading is better when shared...
even if the book is heavy."

Wormy closed his book... just a little.

FRIDAY — DUCKDOM'S DAY OFF

Not much happened today.

The papers were left where they had fallen...
the lists quietly rested...

and even the planning... paused for a while.
A few wandered. A few sat.

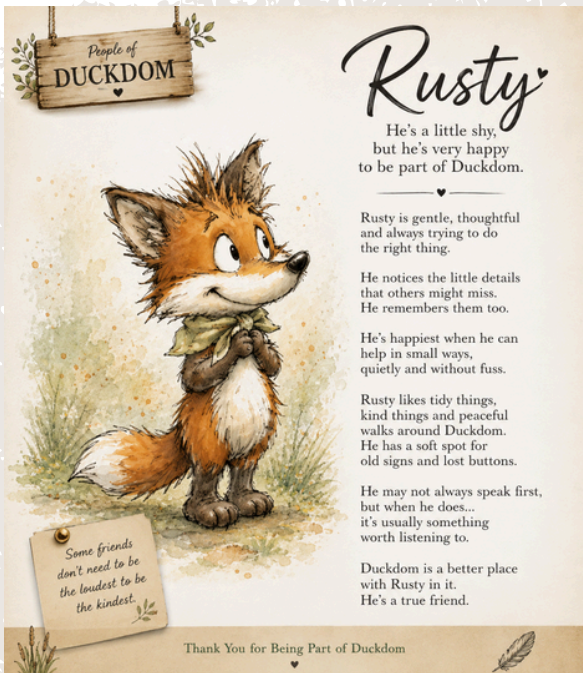

And somewhere...something very fine
was being carefully put into place.
No one mentioned it.

But by the end of the day...
things felt just a little more connected.

MEET RUSTY

Rusty is a little shy... but very happy to be part of Duckdom.

He's gentle, thoughtful, and notices the little things others sometimes miss.

While Kevin is usually bouncing through the village causing excitement, Rusty is often quietly helping behind the scenes.

He likes tidy things, peaceful walks, old signposts, and small acts of kindness.

He may not always speak first... but when he does, everyone listens

Welcome to Duckdom, Rusty

KEVIN'S IMPROVEMENTS

Good intentions may lead to unexpected places.

By Saturday...Kevin had been very busy.
Things were organised.
Whether they were better...
was still being discussed.

The ants of Duckdom are small... but their work is very important.

NEW TO DUCKDOM

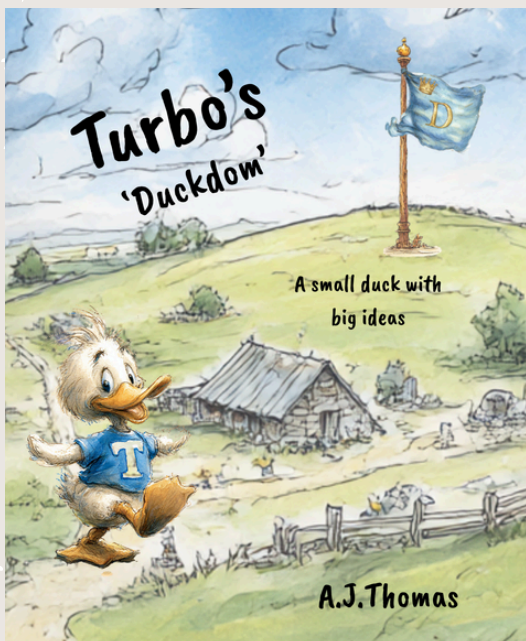

Something new has appeared in Duckdom...

A place for notes, notices...
and things that might matter later.

If you're passing by...
you may want to stop and take a look.

FROM THE DUCKDOM SHELF

Turbo's Duckdom

Before the adventures... there was an idea

A small duck who believed the world could be kinder...
and built a place to prove it.

Welcome to Duckdom

UNTIL NEXT WEEK...

The signpost is still there...

but it may not be pointing where you remember.

And if you pass by it...

you might want to look down, just for a moment.

"If you've ever wondered where Duckdom began..."
